

*EZVIZ Smart MicroSD Card*  
*D Series*

**Reliable local  
storage optimized  
for your EZVIZ  
security system**

Card

## Capacity Options<sup>1</sup>:

32GB / 64GB / 128GB

## Works With:

- EZVIZ Smart Home Cameras, Video Doorbells, Peephole Doorbells, Video Doorphones designed with storage card slots<sup>2</sup>
- Other microSDXC and microSDHC-compatible devices

## Safely store your unforgettable moments

You can now easily relive the missed moments. The microSD card starts saving motion-triggered events or all-day recordings on your device, with or without network connection.

- On-device recording
- Video history / playback
- Footage timeline management

## Key Features

- **High-Speed Video Transport<sup>3</sup>:** Read speeds up to 90MB/s. Write speeds up to 50MB/s. The card is rated Class 10 UHS-I to optimize high-resolution video work, even for 2K to 4K cameras.
- **Durable Design:** The microSD card provides non-stop security thanks to its waterproof, shock-proof, and X-ray-proof design, and its ability to operate in extreme temperatures from 0 °C to 70 °C. It also supports TRIM and FULL-E to ensure greater efficiency and longer lifespan.
- **Card Health Check:** When the microSD card is connected to an EZVIZ device, you can keep tabs on the card's operating status via the EZVIZ App.
- **Wide Compatibility:** You can also use the memory card on a wide range of microSDXC and microSDHC compatible devices such as action cameras, drones, laptops, and more.

1 The actual storage capacity displayed by a device's OS may be less than the capacity indicated on the product label due to different measurement standards.

2 The maximum storage capacity of the microSD card supported by different EZVIZ product models may vary. Please check the specific storage capacity supported by your EZVIZ device before purchasing a compatible microSD card.

3 The speed data comes from EZVIZ Lab's test results under standard conditions. Actual speeds may vary depending on device, interface, operating conditions, and other factors.

# Specifications CS-CMT-CARDT32G-D/ CS-CMT-CARDT64G-D/CS-CMT-CARDT128G-D

## Storage & Speed

Product Capacity	32GB	64GB	128GB
Speed Class	C10/U1	C10/U3	C10/U3
Max. Read Speed	90 MB/s	90 MB/s	90 MB/s
Max. Write Speed	20 MB/s	50 MB/s	50 MB/s

## Function

Health Status Detection	Supports when works with compatible EZVIZ models
-------------------------	--------------------------------------------------

## General

Working Environment	Temperature resistant, Waterproof, Shockproof, X-ray proof
Working Temperature	0°C – 70°C
Storage Temperature	-40 ~ 85 °C
Humidity	25 - 85% (Non-condensing)
Product Dimension	15 × 11 × 1 mm (0.59 × 0.43 × 0.04 inch)
Package Dimension	120 × 80 × 4 mm (4.72 × 3.15 × 0.16 inch)
Product Compatibility	<ul style="list-style-type: none"><li>• EZVIZ Smart Home Cameras, Video Doorbells, Peephole Doorbells, Video Doorphones designed with storage card slots (actual supported max. storage may vary among different models)</li><li>• 3rd party products that are compatible with microSDHC, microSDXC, microSDHC UHS-I and microSDXC UHS-I cards</li></ul>

# In the box

- MicroSD Card
